CIA REGULATION [redacted] STATINTL

Points to Note in Review of Proposed Revision

1. Title - Have omitted "Under Public Law ...." (Would like to discuss the label, "non-CIA")

2. Synopsis - Have added "in conformity with." (Don't like "governing" but have no better term to suggest).

3. Paragraph 1. a. - All new. Suggest careful review.

4. Paragraph 1. b. - Is it necessary to retain "normally"?

5. Paragraph 1. b. (1) - Have added "civilian."

6. Paragraph 2. d. (3) - Can't we omit "by the Director of Training" and simply say "approved programs"?

7. Paragraph 2. g. (4) - All new. Believe we should weigh the wording carefully.

Revisions of other CIA Regulations STATINTL

I have examined all other current CIA Regulations in the [redacted] STATINTL and find only one instance where immediate revision is necessary in order to take cognisance of P.L. 85-507. The Regulation involved is [redacted] and the correction simply requires deletion of "Under Public Law 110 (81st Congress, 1st Session)."

However, CIA Regulation [redacted] STATINTL will need to be changed a bit. Reference paragraph 12. b. (8), it strikes me that the most suitable manner of correcting the present wording would be to omit reference to any specific law and let it read, "In accordance with applicable statutory authority and such Agency policies governing their use as may be prescribed, provide for ...." In fact, in the interest of brevity, it would be all right to reduce the phrasing to "Provide for Agency participation in training programs at apropriate external training facilities, Government and non-Government ..."

If specific reference to Public Law 85-507 is desired, it should be made in connection with either: (a) the DTR's overall mission (paragraph 12. a., Regulation [redacted] STATINTL or (b) the citing of authorities under which the Agency operates (paragraph 1, [redacted]). Alternative (a) above may be worth STATINTL

thinking about; alternative (b), in my opinion, would take us pretty far out in right field.
